CAKE AND VOUCHER SELECTION

Fitzbillies

Clare College Development Office, together with a famous local bakery and Cambridge institution, Fitzbillies, has created a unique service which enables family and friends to send good wishes to students while they are away from home. We'll email the student to let them know that a 'gift' is waiting for them at the Fitzbillies shop (a short walk from Clare). What better way to send a good luck message, a birthday greeting, or simply to show you care!

Please allow a **MINIMUM of 5 WORKING DAYS** for your order to be processed by the date requested. All products may contain traces of nuts and we regret that Fitzbillies cannot cater for specific requirements.

*Family &
Friends* 

The *Love from Home* service, run by the Clare Development Office, is an important part of the Family & Friends Programme. The programme provides a link between parents and families of Clare students and the College, and gives parents the opportunity to become more involved in their children's university experience and in the life of the College in general.
